Databases: 1 interactive dashboard
Teaching: 1356 hours in higher-ed
Leadership: 16 projects as lead researcher

Awards & Honors

Outstanding Achievement in the Field of Excellence
Springfield University

Ig Nobel Prize
University of Eastern Colorado

Languages

English — fluent
Spanish — basic
Esperanto — conversational

Profile

My research focuses on everything that is worth researching, with a special emphasis on things that haven't been researched before. Particularly, I develop methods for research based on other methods and theories that have been well established and their application in a variety of fields.

Experience

Professor Sep 2022 - Present
Globetrotter University — New New York, NY
Prevented time from slippin. Started a partnership with Planet Express, Inc.

Associate Professor Dec 2021 – Aug 2022
